

# Summer 2017 Teen Volunteer Application Somerset County Library System - Bridgewater Library

**KEEP THIS PAGE FOR YOUR RECORDS**

Dear Prospective Volunteers and Parents/Guardians:

Welcome to the Bridgewater Library's Summer Volunteer Program! This program has been developed for local teens to be of service to the community through the library, satisfy a volunteer requirement, be a positive example for their peers and for younger patrons, encourage library usage, and instill a love of reading in others.

This packet contains everything you need to know about volunteering over the summer, including available volunteer positions, reference forms, training dates, and scheduling information. The first part of this packet will offer a thorough explanation of our program. It is your responsibility to keep this portion of the application for your records—we will not issue you another copy of these pages. **Please note: As of 2016, teens new to the volunteer program will be required to submit two completed reference forms with the application.** Once their forms are submitted, they will not be required to hand in references for the duration of their time volunteering as a teen. The second part of this packet is the application and two reference forms, which must be filled out and turned in at the Youth Services Reference Desk by **5 PM on Saturday, April 29th, no exceptions.** We will only accept applications Monday through Saturday. **We are unable to accept applications on Sundays due to abbreviated services.** Applications from new volunteers will not be accepted without the two completed reference forms attached.

You must be **entering 7th to 12th grade in the Fall of 2017** to be eligible to volunteer. The Summer Volunteer Program begins on *Saturday, June 17th* and ends on *Saturday, August 26th* unless you check off the September Shelves position. September Shelves can sign up for extra volunteer shifts from Monday, August 28th to Saturday, September 9th. In order to be a shelve for the Fall extension, you must also shelve during the summer, too.

Once you make the decision to become a volunteer, you are considered a member of the SCLSNJ team and you are expected to uphold certain responsibilities. While we allow parents to pick up the volunteer application for their teens, **we ask the volunteers to fill out and hand in the application themselves.**

We also expect the volunteer to be in contact with us with any questions he or she might have, scheduling issues, etc. While we understand a parent might have to reach out to us in emergency situations, it should be the teen volunteer taking the responsibility to communicate with his or her supervisor. Email is the main form of communication that we will use to contact our volunteers. We have over 200 volunteers each summer and email is the easiest way for us to get in touch with everyone at once. In terms of certain jobs, which are offered on a first come, first served basis, it is also the fairest way to get the word out about an opportunity. Because of this, it is important that you provide us with an email address that you check often. We encourage volunteers to give us their own email address. If you share an email with your parent, it is important that you (the volunteer) are given the opportunity to read and respond to any volunteer emails that are sent. **For a full list of responsibilities, please read the Volunteer Agreement on page 7.** We ask that both the teen volunteers and their parents/guardians read all sections of our application, and agree upon committing to the responsibility expected of our library volunteers.

We want every volunteer's experience to be fun, productive, and a great way to spend some time this summer. We also want you to understand how important every volunteer is to the Bridgewater Library during our busiest months. We encourage you to contact us with any questions you may have before signing the Volunteer Agreement and committing your time to us. If you have any questions or concerns, please contact the Youth Services Reference Desk by phone at (908) 526-4016 ext. 126.
